State _____ R. F. D. _____ Box No. _____

IMPORTANT—If plants are to be sent by Parcel Post

prepaid, do not forget to add amount for postage.

TERMS AND CONDITIONS OF SALE

Terms of Payment: Our terms are net cash with order, or we will ship C. O. D. when one-third amount accompanies order. Goods will be shipped on charge accounts only to customers of approved credit who supply satisfactory trade and bank reference, allowing time for investigation.

Shipping: All goods travel at the purchaser's risk and expense. Certificate of State Inspection will go with every shipment.

Prices: The quotations in this list are for the **Wholesale Trade Only** and subject to change without notice. Please use printed stationery. We use every effort possible to limit distribution of trade prices to those we know to be entitled to them.

Rates: Five of same variety and size at the ten rate. Fifty at the hundred rate. Five hundred at the thousand rate.

Liability—Responsibility: If any stock purchased from us proves untrue to name we agree on proper proof to replace such stock or refund the amount paid for it. But we shall in no case be liable for any sum greater than the amount originally received for said stock.

Packing: Packing will be done in the best possible manner and charged for at the cost of material used, no charge for loading bulk cars.

Claims: No claims for rejections or deficiencies will be entertained unless made within 10 days after arrival of goods. In no case will we assume responsibility after consignment to purchaser. When losses occur by delays or other causes of whatever nature while goods are in transit, make claim at once on the forwarding companies.

Caution: We accept all orders upon condition that they shall be void should injury befall stock from frost, fire, hailstorms, or other causes over which we have no control.

SHIPPING SEASON

Perennials can in general be shipped all the year around when ground is open. Some varieties like Delphinium and a few others are kept in cold cellar and can be shipped any time.

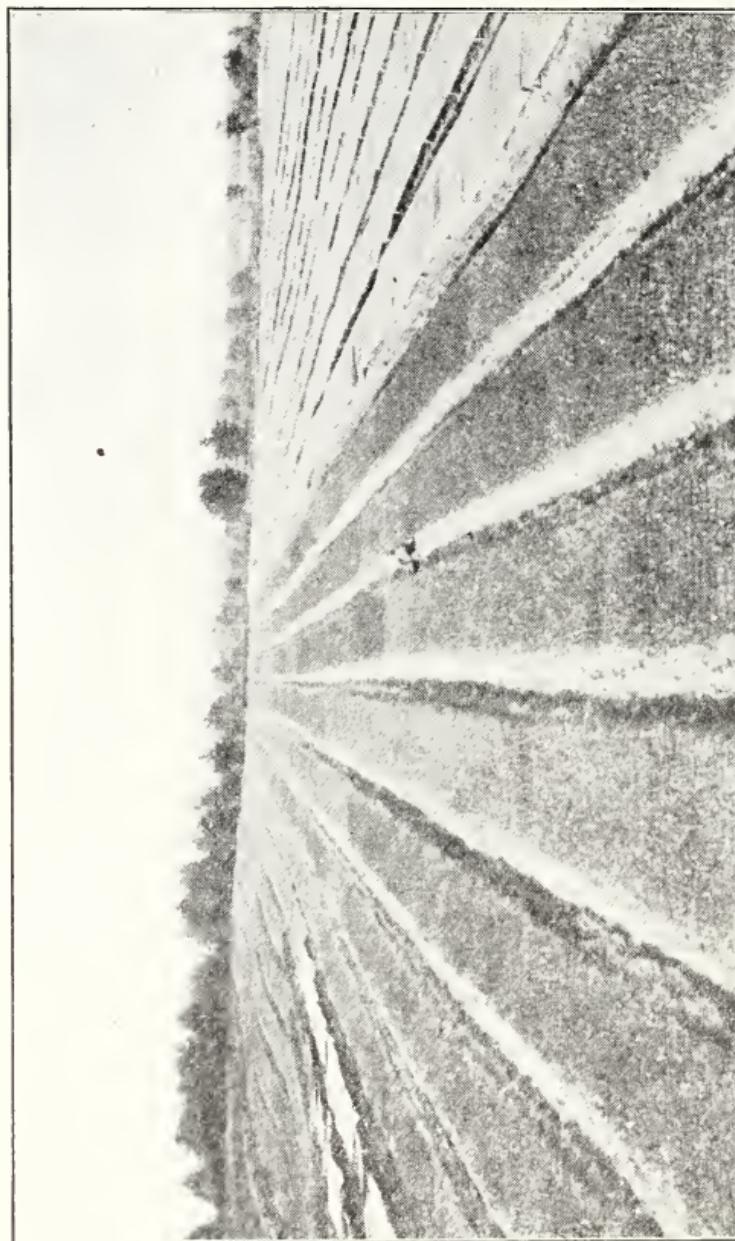

Evergreens: Fall season opens as soon as we have had sufficient rain to put the ground in good condition for digging. Usually this occurs after the middle of August and closes when frost comes, generally around Nov. 15th. Spring season opens as soon as frost is out, about April 1st, and continues until June 1st, and some times later. Last spring we transplanted evergreens up to June 15th, and commenced to transplant again Aug. 15th.

Once Transplanted Three Year Old Evergreens. Seedlings Under Frames to the Right.

Once Transplanted
Four Year Old Evergreens

Evergreens — Lining Out

NORTHERN MINNESOTA GROWN HEALTHY STOCK

We claim that we can grow a better quality at a lower cost than any other nursery located further south and east, and we want an opportunity to prove it to you. We had a letter from Pennsylvania which read:

M. K., Pennsylvania, November 23rd, 1928.

"Enclosed find our check in payment of our account in full. In reference to the carload of evergreens that we received from you, will state that we surely were pleased with them and would like you to quote us on what you have for spring shipment."

Very truly yours, J.

Our seedlings and small transplants are grown without artificial watering. They are sturdy, stocky little plants, with an excellent root system, and have earned a reputation wherever planted. They are grown under the best possible natural conditions in the cut-over evergreen timber belt of northern Minnesota, in Pine county.

We are very careful where we get our seed, only from the best sources, known for hardiness and vigor, adapted for the northern part of the U. S. A.

We will meet any competition in quality and price, and will appreciate an opportunity to quote on your requirements in quantity. Those who have bought from us once continue to give us their orders.

The varieties and sizes listed in this section are suitable for nursery planting. Seedlings will be sold, not less than 50 of any one variety and once transplanted not less than 25 of any one variety; 50 at the 100 rate; 500 at the 1,000 rate.

O—Indicates seedlings. X—Transplanted.

American Arbor Vitae—Is a native of northern Minnesota. We gather our seed here; it is well adapted for windbreaks, hedges, and ornamentals.

		1,000	100
200,000 seedlings, 2 yr., average 1 to 3 in.

8—12 in.—X -----	350.00	40.00	5.00
	60.00	8.00	
Picea canadensis albertina —Black Hills spruce. Our seed comes from the Black Hills of South Dakota. This is the hardiest type of all the spruces, and forms a very symmetrical and compact plant.			
2 yr., 1—3 in.—O -----	90.00	10.00	2.00
3 yr., 3—5 in.—O-----	200.00	20.00	3.00
4—6 in.—X -----	300.00	35.00	4.00
6—8 in.—X -----	450.00	50.00	6.00
8—12 in.—X -----	80.00	10.00	
Picea excelsa —Norway Spruce. Seed is collected for us from the high elevations on European mountains. A hardy and rapid growing tree, well adapted for farm windbreaks with some low growing evergreens in the outside row. It is also grown extensively for Christmas trees and winter window boxes and for grafting.			
2—4 in.—O, 100,000, \$300.00 -----	33.00	3.50	1.00
4—6 in.—O, 100,000, \$600.00 -----	70.00	8.00	1.50
6—8 in.—O -----	130.00	14.00	2.00
8—12 in.—O -----	180.00	20.00	2.50
4—6 in.—X -----	190.00	20.00	3.00
6—8 in.—X -----	280.00	30.00	4.00
8—12 in.—X -----	380.00	40.00	5.00
Picea excelsa borealis —Polar Spruce.			
2 yr., 1—2 in.—O -----	180.00	20.00	3.00
Picea pungens glauca —Colorado Blue Spruce. Seed is collected for us from selected blue specimens in the Colorado Rockies, for which we pay a premium. This insures an unusual high percentage of glistening blue trees.			
2 yr., 2—4 in.—O, 100,000, \$800.00-----	90.00	10.00	2.00
3 yr., 3—4 in.—O-----	150.00	18.00	3.00
3 yr., 4—6 in.—O -----	290.00	30.00	4.00
4—6 in.—X -----		70.00	10.00
6—8 in.—X -----		180.00	20.00
Picea sitchensis —Sitka Spruce.			
1 yr., 1 in.—O -----	15.00	2.00	
Pinus aristata —Brittle Cone Pine.			
1 in.—O -----	10.00	2.00	

10,000 1,000 100

Pinus austriaca nigra—We get our seed from Austria, collected between 2,000 and 3,000 ft. above sea level. It is hardy even in Canada. Grows to a height of about 100 ft., of a symmetrical and sturdy growth, of a rich green color. No tree shows such remarkable resistance to the trying conditions in city planting, and is equally satisfactory for seashore and inland country.

2—4 in.—O -----	80.00	10.00	1.50
4—6 in.—O -----	140.00	15.00	2.50
6—8 in.—O -----	180.00	20.00	3.00
4—6 in.—X -----		50.00	6.00
6—8 in.—X -----		70.00	8.00
8—12 in.—X -----			10.00

Pinus banksiana—Jack Pine. A native of northern Minnesota. A very fast grower on sandy and gravelly locations. Will thrive where no other trees could live.

8—12 in.—O -----	12.00	2.00	
12—18 in.—O -----	20.00	3.00	

Pinus edulis—1 yr., 1—2 in.—O -----

5.00

Pinus Jeffrey—1 yr., 2 in.—O -----

5.00

Pinus densifolia—1 yr., 1 in.—O -----

5.00

Pinus montana—Mountain Pine. Seed is collected for us on the heathers and sand dunes on the west coast of Denmark, where it is planted in alternate rows to smother the heather, and nurse the more valuable evergreens. It is of a spreading habit, somewhat like the Mugho Pine in form.

2—4 in.—O -----	90.00	10.00	2.00
4—6 in.—O -----	180.00	20.00	3.00
4—6 in.—X -----	280.00	30.00	4.00
6—8 in.—X -----	450.00	50.00	6.00

Pinus mugho—Mugho Pine. The true dwarf form of Mountain Pine. Seed is collected specially for us in the Alps and Riesengebirge. A very slow grower of compact type.

1—3 in., 2 yr.—O -----	100.00	12.00	2.00
2—4 in.—O -----	200.00	25.00	3.50
4—6 in.—X -----		50.00	6.00
6—8 in.—X -----		90.00	10.00

Pinus ponderosa scopulorum—Ponderosa Pine. This is a hardy, free and upright grower. Very deep rooted and drought resisting type. It is a handsome ornamental tree with interesting long needles.

3—6 in.—O -----	90.00	10.00	2.00
-----------------	-------	-------	------

Pinus resinosa—Red or Norway Pine. This is a native of northern Minnesota, and is one of our finest native evergreens. The needles are in pairs, dark green and shiny, up to six in. long.

1 yr., 1—2 in.—O -----	20.00	3.00	
------------------------	-------	------	--

Pinus sylvestris—Scotch Pine. This is the common pine of Europe. The rapidity of growth and great hardiness have made this a great favorite.

2 yr., 2—4 in.—O -----	70.00	8.00	1.50
4—6 in.—O -----	100.00	12.00	2.00
6—8 in.—O -----	125.00	15.00	2.50
8—12 in.—O -----	170.00	18.00	3.00
4—6 in.—X -----	220.00	25.00	3.50
6—8 in.—X -----	380.00	40.00	4.50
8—12 in.—X -----		70.00	8.00

		1,000	100
Pinus sylvestris regensis.	Scandinavian seed,		
2—4 in.—O -----		\$ 15.00	2.50
4—6 in.—O -----		20.00	3.00

HARDY FERNS IN FOUNDATION PLANTING

Hardy Ferns

WHOLESALE PRICE LIST FOR DEALERS ONLY

We honestly believe that we handle more hardy ferns than any other concern in the United States. We have a system by which we can ship dormant fern roots 10 months in the year. To show you what we can do and have done, we shipped one telegraph order for 5,000 Ostrich ferns the latter part of May last spring. We shipped the last fern order the 30th of June and commenced shipping ferns the first part of September last fall. We recommend shipping by freight during fall and winter, to save expense. Our ferns are heavy clumps, generally 5 years old or more.

The letter (R) in front indicates adaptability for rock garden. (B) indicates a preference for bog or wet soil. (S) indicates that the plants prefer some shade.

The height given in inches indicates the height they grow under normal conditions. We can supply many other varieties in limited quantities.

When cash accompanies order, packing is free. One hundred or more, not less than 10 of any one variety, your selection, will be billed at the hundred rate. For a full thousand, not less than 100 of any one variety, we allow a discount of 10% and for an order of 500, not less than 50 of any one variety, we allow a discount of 5%.

Descriptive catalog with cultural directions mailed free.

Introductory Assortment

To introduce our ferns we offer 20 Ostrich Plume, 20 Lady, 10 Osmunda, and 10 Evergreen Ferns, or any other combination of 60 ferns, in four varieties for \$5.00 cash, packing free. These are the standard sellers that give universal satisfaction under all conditions. A trial shipment will convince you. The above assortment packed for shipment averages 60 to 80 pounds and can be shipped by freight up to April 1st, if you are not in a hurry to get them. They are generally packed and shipped within 24 hours.

Mail Order Fern Beds

From this department we will ship direct to your customers.

		Retail Price	Wholesale Price	Postage to be Added
No. 1—8 Ostrich Plume, 10 Lady, 4 Osmunda	\$5.00		\$2.50	
No. 1-A—8 Ostrich, 8 Lady, 4 Sensitive, 4 Evergreen	5.00		2.50	
The No. 1-A, we believe, will give just as good satisfaction to the average buyer as No. 1. The Osmunda is very heavy for shipping by parcel post. The four Evergreens and 4 Sensitive will weigh about 3 pounds less than the 4 Osmunda. It will reduce the postage on a collection of 20 ferns from 12 to 35c to the 5th, 6th, 7th, and 8th zones, respectively.				
No. 2—Special for dry, shady places. 4 Leathery Wood Fern, 8 Lady, 6 Hay-scented, and 4 Interrupted Ferns	5.00		2.50	
No. 3—Special for moist, shady places. 4 Maidenhair, 8 Evergreen, 4 Ostrich, 4 Cinnamon, 4 Lady Ferns	5.00		2.50	
No. 4—Special for real wet situations. 8 Sensitive, 6 Clintons Wood Fern, 6 Royal, 4 Marsh Shield Ferns	5.00		2.50	
One-half of any of the above assortments	3.00		1.35	

We propose to ship any of the above assortments to your customers, under your shipping tags. If you have no special agreement with us, send \$4.00 with each order for any of the above full assortments with your shipping tags correctly addressed, or \$2.50 for one half assortment, then we will prepay postage and return to you in stamps the difference in the net wholesale price of \$2.50 or \$1.35 respectively, plus prepaid transportation, with statement the same day we ship.

In ordering the above assortments, just mention the number, fill out shipping directions and enclose your check, then we will do the rest and guarantee satisfaction.

Rock Garden, Alpine Plants Wild and Perennial Flowers

We list in the last column, lining out stock, designated as L. O., which consists of either seedlings or divisions. These are available in season. This branch of our business has met with unusual favor with our customers. We aim to give satisfaction.

We do not sell less than 25 of any one variety in L. O. Varieties marked (R) are particularly adapted for the rock garden; (RS) rock garden, shade; (B) bog loving plants.

RHUBARB

Delicacy, red, very tender. Have been selected and propagated from an old market gardener's stock for 40 years. A shy seed runner. 2—3 eye divisions. \$5 per 100.

Raspberry, Latham—Inspected and guaranteed free from Mosaic. This is recognized as the most prolific bearer. Hardy in northern Minnesota. A good shipper, the best all around raspberry in cultivation. Originated at the Minnesota State Fruit Breeding Farm. 1,000, \$20.00. 100, \$2.50.

Elm Chinese—Seed direct from China, seeded August 1st. This is recognized as the strongest grower and the hardest elm in existence. Seedlings 3—5 in. 10,000 for \$120.00. 1,000 for \$15.00. 100 for \$2.00.

TREE SEEDS

We have frequently had call for seeds and have decided to supply this demand from the same original sources, and quality as we plant ourselves. It is quite a problem, and many varieties produce seed only once in two or three years. We do not know beforehand just how much or if any is obtainable. We will book your orders subject to available supply of good quality. However, we give no warranty expressed or implied as to description, quality, productiveness, or any other matter of any seeds. If the purchaser does not accept the seeds on these terms, they must be returned at once.

Orders must be booked early, and prices are not binding, and are subject to change without notice.

THE HOME GARDEN HANDBOOKS

Rock Gardens. By F. W. Rockwell. You can have a rock garden at small cost and great enjoyment to yourself if you use this splendid book. Its text and illustrations show how to pick the location, construct, use water features, and fertilize the soil. There are handy classified lists of plants to use, including bulbs and evergreens. Ill. \$1.00.

Evergreens For The Small Place. By F. F. Rockwell. How to secure just the right effect with dwarf and tall evergreens, pines, firs, spruces, junipers, cypresses, cedars, yews, etc. Classified lists suggest the types or varieties for special purposes. Illustrations make the book complete and practical. Ill. \$1.00.

Shrubs. By F. F. Rockwell. Shows you how to select and plan shrubbery plantings. How to use various shrubs for flowers, foliage, fruits, and bark effects. How to plant, mulch, prune, and protect the plants from insects and diseases. Ill. \$1.00.

Around The Year In The Garden. By F. F. Rockwell. Starts with preparations in January and gives seasonable directions for caring for the garden each week until the annual cycle is complete with putting the garden to sleep for the winter. 350 pages. Ill. \$2.50.

Flower Guide. Wild Flowers East of the Rockies. By Chester A. Reed. With 320 flowers in colors. Cloth bound, \$1.25. Imitation leather, \$1.50.

Butterfly Guide. By Chester Reed. Cloth bound, \$1.25. Imitation leather, \$1.50.

How to Make Friends With Birds. By Chester Reed. Cloth, \$1.25. Imitation leather, \$1.50.

Flowers and Ferns in Their Haunts. By Wright. Habits and identifying characteristics of the wild flowers and ferns are described for the benefit of the person who likes to study flowers and ferns in their native haunts. There are nearly sixty half-tone illustrations. 358 pages. Ill. \$2.00.

Field Book of American Wild Flowers. By F. Schuyler Mathews. A short description of their character and habits a concise definition of their colors, and incidental references to the insects which assist in their fertilization. With 24 colored plates, reproductions of water color drawings by the author, and over 300 other illustrations from studies from nature by the author. New revised and enlarged edition, (4 1/4 x 7 inches), 610 pages, and full index, \$3.50.

We will send any of the above named books prepaid at the publisher's prices.
